

## NEWS RELEASE

### SCOTIA PRINCE AVAILABLE FOR SALE OR LONG TERM CHARTER

MIAMI, FLORIDA December 15, 2011

The MV SCOTIA PRINCE is available for sale or longterm charter. For the past several months, the vessel has been operating between India and Sri Lanka to the full satisfaction of the charterers; however, the vessel's capacity was too large for this service in its start-up phase, and it was agreed between the charterers and the owners that the vessel was redelivered.

The SCOTIA PRINCE is available immediately in Colombo, Sri Lanka, where it can be inspected at any time. Full specifications, General Arrangement Plan and photographs can be found at ISP's website: [www.isp-usa.com](http://www.isp-usa.com). Any questions or offers should be sent to Niels-Erik Lund at [nlund@isp-usa.com](mailto:nlund@isp-usa.com).
